

Information regarding the **Application for an au pair-Visa** for the Federal Republic of Germany

The Embassy can accept visa applications from persons who:

- require a visa to enter Germany (please refer to List of states whose citizens require visas to enter Germany), and
- are residing permanently in the Philippines, the Marshall Islands, Micronesia or Palau, and
- **have a visa appointment** ([see information leaflet about the appointment system](#)), and
- **arrive on time for their scheduled visa appointment**

Please note that the au pair occupation is allowed only, if this is clearly permitted in the visa, because the au pair occupation is a form of employment.

The [Federal Employment Office](#) informs on their homepage with regard to au pair stays and the **rights and obligations** of the host families and the au pair involved with these stays:

PROOF OF BASIC KNOWLEDGE OF THE GERMAN LANGUAGE

Equivalent to level A1 of the European language norm, issued by ALTE-certified tester

- In the Philippines this proof can be obtained i.e. through the Goethe Institute in Manila. For examination appointments please contact the [Goethe-Institute](#) in Manila directly. The examination is also open to external students.
- Another possibility of proof of basic knowledge of the German language is the submission of high school certificates with a German Abitur or language certificates of the level "A1" issued by cultural institutes of Austria or Switzerland.
- Any language certificate that is issued by an examiner who is accredited by the [Association of Language Testers in Europe \(ALTE\)](#) may be accepted.
- For the safety not only of the Au pair but also for the safety of the child(ren) to be cared for, the visa application must be rejected if the communication with the host family regarding the duties and also concrete wishes or needs of the au-pair and the child(ren) in his/her care or calling for help in dangerous situations is not possible in German language in spite of mutual good will.

Sequence of the visa processing:

- Long term visas cannot be issued without the approval of the Federal Employment Office (Bundesagentur für Arbeit); the visa can therefore only be issued when the Embassy has received the approval. A processing time of several weeks must be expected. The visa should therefore be applied for at an early date.
- Additional documents can be submitted without prior appointment at Visa Counter 5 by courier, post, or personally from Monday to Thursday between 11:00 a.m. and 12:00 p.m. and on Friday between 10:00 a.m. and 11:00 a.m.
- Applicants are requested to inform the Embassy of any changes of their contact details or the contact details of their host parents to avoid delays or inconvenience.

- The Visa Section will inform you as soon as the visa can be issued.
- Passports and letters (e.g. informing of the result of the visa application) can be picked up in person during the above mentioned office hours or might be sent to the applicants by the Embassy via courier service. The courier fee is 170,- PhP (payable upon delivery).
- After entering Germany, you must immediately contact the Aliens Office (“Ausländerbehörde”), which issued the residence permit. This residence permit entitles the holder to travel in the Schengen-Area for up to 90 days per half year.
- Please refrain from asking for updates of the processing. Such questions do not expedite the processing. If further inquiries need to be answered by you, or additional documents are required, the Visa Section would of course contact you directly without further prompting.
- We also ask for your understanding that, for reasons of data protection, no information regarding the current stage of the processing of ongoing applications can be given, as it is not possible for the Visa section to determine on the telephone the identity of the caller. The information gained in the visa processing about the application as well as information about the current stage of the application processing in individual visa procedures are subject to data protection.
- If you do, however, believe a question regarding the stage of processing must be asked for special reasons, we request for a personal visit or for a written inquiry with an explanation of the reasons. The Visa Section may provide information regarding the visa processing only to:
 - the applicant himself / herself
 - third parties, who submit a written authorization by the applicant, or
 - to a legal representative, if there is for legal reasons an appropriate power of representation (for example the power of representation, which parents have over their children).
 Accordingly, the Visa Section may give spouses / fiancé(e)s / employers no information, as long as there is no written authorization for representation at hand. An authorization must therefore, where required, be attached to the application.

Application forms and information leaflets are available for **free** at the entrance of the Embassy and on our [homepage](#). The advice in visa matters through staff members of the Visa Section is free of charge, too. Other service providers and persons, who claim to give advice outside the Visa Section, do not belong to the personnel of the Visa Section.
