Subject: Confirmation of Departure

Manila, 27 March 2020

Due to current circumstances and policies of the Philippine Government concerning the Enhanced Community Quarantine (ECQ), the Embassy confirms the following:

1. The holder is a German citizen duly registered by the Embassy of the Federal Republic of Germany in Manila as a temporary visitor in the Philippines during this time;
2. The holder intends to depart the Philippines as soon as possible, and needs assistance in accessing land, sea or air travel arrangements, as permitted and made available by the Philippine Government during the ECQ;
3. The holder, with the assistance of the Embassy, is traveling to an international airport to join a commercial or repatriation flight organized by the German Government or by other governments of the European Union to go back to Germany as soon as possible. Instead of a ticket, the Embassy confirms repatriation flights to the German traveller via e-mail.

As of 24 March 2020, Paragraphs G and H of Resolution No. 15 of the Inter-Agency Task Force for the Management of Emerging Infectious Disease guarantee that all stranded passengers and foreign nationals are “***granted free and unimpeded access to and from national government facilities such as airports, ferries, bus terminals, etc. notwithstanding any LGU pronouncement to the contrary.***”

Given the following, the Embassy of the Federal Republic of Germany in Manila kindly requests that full assistance and support be given to the holder by your good office and personnel to facilitate his/her smooth and immediate departure. If you

require any clarification or further information from the Embassy, please contact us via the details found on the upper right-hand side of this letter.

Shall he/she not be granted free and unimpeded access to and from national government facilities, the Embassy of the Federal Republic of Germany requests your good office and personnel, in line with the above-mentioned resolution and civil and humanitarian obligations, to direct our citizen to suitable accommodation until they are authorized to return to their country.

The Authorities of the Republic of the Philippines may verify the holder's identity by means of his/her German passport.

Thank you your kind consideration and cooperation!

Sincerely,
